

COUNTY OF SAN DIEGO

DEPARTMENT OF PLANNING AND LAND USE: ZONING

NOISE VARIANCE SUPPLEMENTAL APPLICATION

Part A – LOCATION OF SOURCE(S)

Description of the source location(s):

1. State the location of the nearest major roadway intersection with respect to the activity area(s).
2. Provide the parcel number of the activity area(s) or the closest property for ROW locations.

Part B – DESCRIPTION OF ACTIVITIES

1. Provide a description of the proposed activities under this variance application (provide separate attachment if necessary).
2. Provide a potential list of equipment associated with the proposed activities:
(Include number of units, manufacturer, model, power, and any noise performance specifications).
3. For phased operations, identify the equipment used in each task and the sequence of the work.
4. Describe the age and condition of any required equipment (more than two years old).
5. State the zoning designation of the work site and all adjacent properties.

Please note that this noise source information will be used to determine notification requirements for distribution prior to the start of these scheduled activities. Other conditions may be included in the final variance decision.

DPLU-701 (12/09)

Part C – Variance Schedule

State the requested variance dates.

Beginning: Day _____ Month _____ Year _____

Ending Day _____ Month _____ Year _____

Confirm the date by which all activities will be in conformance to regulations.

Day _____ Month _____ Year _____

If applicable, state the hours of each night and the days of the week requested for this variance.

Beginning: Day _____

Ending: Day _____

Daily: Hours _____

Variances requested for periods longer than one month may be subject to additional environmental review to determine if other permits are required.

Has the applicant filed a prior request for a noise variance for this source? Check one please. Yes ☐

No ☐

If answer is yes, Approved ☐ Disapproved ☐

Any related noise violations for this source? Please attach an explanation and supporting documentation if this is true.

Part D – Applicant's Statement of Justification

The effect that the noise variance will have on public interest, health, and welfare, etc.:

Describe in detail the means by which noise will be controlled including the design of physical means that will be used. Attach a detailed description and sketches to clarify this explanation.

Has the applicant contacted the Noise Control Officer prior to submittal? Yes ☐ No ☐

Note: False statements. No person shall knowingly make a false statement or submit a false document to the Noise Control Officer as to any matter within his jurisdiction.
